~~Bylaws and~~ Program rule changes

~~Bylaw and~~ Program changes should be brought before the membership at the September 27th, meeting and will be voted on at the October 25th meeting. (Theresa Pereira has volunteered to count ballots)

SUGGESTED CHANGES:

- 1) All chairs must have co-chair
- 2) Stock/Ranch Versatility program to have to pay part of show costs. Straight percentage based on number of classes stock will have at the show. For example, if E/W has 80 classes and Stock has 20 classes, they would pay 20% of costs.
- 3) Meeting place location can be changed at any time with a club vote.
- 4) Everyone in Region 6 has a vote on all/any program guidelines, regardless of what program you are signed up for. (i.e. if you are signed up for Englis/Western, you can vote on TRAP guidelines)
- 5) For Stock & TRAP high point program & Royalty program, there must be at least one representative at each CSHA Region 6 general meeting or program will be frozen for a minimum of 30 days, until next general meeting. Does not have to be a chair, but does have to be a designated representative.
- 6) For E/W Program, you MAY fax or scan and email your signed points sheet, at the discretion of the high points keeper.
- 7) Show sanctioning: Need to have a 45 day advanced request to sanction a show (45 days prior to the show date). Sanctioned shows must be published via the CSHA website within 30 days of the sanctioned show date.
- 8) Clarification: If you are signed up for Walk/Jog and/or Walk/Trot program,.... Walk/Jog, Walk/Trot classes count for Walk/Jog & Walk/Trot ONLY, not "Overall". W/J/L and W/T/C classes count for overall.
- 9) Clarification: 3 show requirements is just that, it does not matter how many points the show is offering. i.e. a double point show does not count as 2 shows! A double judged show does not count as 2 shows. If the sanctioned show is 2 days, it counts as 1 show (i.e. D'Alonzo has Western Saturday, English Sunday – this would count as 1 show.)
- 10) High Point categories (at our shows) need to be reduced to include the minimum by age break: English AND Western (combined) 10 & Under, 13 & Under, 14 – 17, 18 – 34, 35 & Over, Open, and then a Halter High Point & a Reining High Point. Programs may, at their discretion, have more high point divisions, but must at least the above
- 11) Remove \$5 obstacle fee and increase to \$10 for trail and add \$10 obstacle fee for over fences classes
- 12) English/Western Chair or Show Committee Chair(s) to appoint a person responsible for coordinating program members' working hours. i.e. "Hours Coordinator" to assign people to work specific assignments at specific times.
- 13) Suggestion to have 1st place prizes be at the discretion of the show committee due to financial limitations.
- 14) Clarification: The format of the show is at the discretion of the show committee (order of classes, when reining goes, vs. when English/Western, goes etc).

THE FOLLOWING ARE SUBMITTED BY AMANDA JOHNSON, SEPT 27, 2011 WITH REGARD TO REGION 6 RANCH VERSATILITY PROGRAM

Suggestions for Region 6 Ranch Versatility Program

- 15) Ranch Versatility will be permanently placed with the Stock Program- and all funds made by Ranch V will go to the stock program.
- 16) It will follow the National Versatility Ranch Horse Association (NVRHA) rules with a few exceptions –these can be downloaded from online by visiting NVRHA website. www.NVRHA.org
 - a. Region 6 would not include Ranch cutting at this point in the program
 - b. Region 6 will differ in the Ranch Rail/Pleasure- they do a pattern we will do a rail class, but we will have the judges judge according to their standards (i.e. way of going, or head carriage)
 - c. Working ranch horse/ reining cow horse class- Region 6 constants will **only** box the cow- they will not take cows down the rail or circle up. Although we will have the judges use NVRHA point form to judge the class and follow their standards for the class except where listed above.
 - d. No roping of live animals at this point in the program
- 17) All eligibility will follow CSHA and West Coast Rule book. (i.e. age breaks, membership)
- 18) Region 6 will use NVRHA point sheets- the judges will use these to evaluate each class.
- 19) Region 6 will follow NVRHA equipment rules (i.e. working saddle, optional riata)
- 20) Region 6 will follow the Ranch Trail of the NVRHA including optional obstacles and mandatory obstacles. Judges will use NVRHA point sheets to judge the class and place it.
- 21) Ranch Confirmation- halter will follow NVRHA guide lines and judging standards.
- 22) Points will be awarded following West Coast Rulebook.
- 23) Participates will have to work a minim of 6 hours ; 3 hours at a Region 6 Stock Program event/show, as well as 3 hours at another Region 6 program event (i.e. English/Western show, Royalty Speech or riding). We are doing this because it is important to foster inter program relations, even if it is not a program one participates in. Also often at one's own program events they do not have a lot of time to work hours so they can help with other programs in hopes that other programs will be willing to send volunteers to help with the stock program (Ranch V). To clarify that is a total of 6 hours per horse/rider combination that is entered in the Stock Program. Sign-up sheets will be sent out prior to the show/event and failure to do what you signed up for will result in a less of all points earned prior to event (and including event points) in the program. If for some reason you cannot do your assigned hours then it is your responsibility to find an

individual of suitable age to fill in for you. We are not here to hold your hand but offer you the fun opportunity to show in Stock Comp and Ranch V, and also it should be the responsibility of a few to do everything.

- 24) In order to persevere the importance of an all-around ranch horse- class awards will be very small (i.e. a piece of candy) so that the over-all award for each category (Youth, Am, Open, W/J) can be worth winning. This will also encourage sportsmanship since even if someone has a world class reiner that does not mean they can win if they cannot drag a log.
- 25) As a program Region 6 will start by having only a Youth (17& under), Amateur and Open division.
- 26) If there is enough interest (there must be 3 signed up for year-end) than it can be looked into to add a Walk/Jog (green as grass) class for all ages. There will be a limit of 2 years in this category/division (unless the exhibitor is 10 & under, if they are 10 & Under then they can stay in this division for their 10 & Under years plus any year (s) they qualify for after their 10 year old year), and the rider must have never won a buckle per to the beginning of each show year. For this category they will not do a reining style pattern but a short horsemanship style pattern. All of their classes will only consist of Walk/Jog. Also there can be no cross entering (meaning you cannot go in both youth/am and the Walk/Jog division).
- 27) For this year Region 6 will go by this more informal method- that way throughout the year an official region 6 program rules can be drafted and put together for next year. This year will be more experimental- finding out what Region 6 members really want their program to be. Also all other aspects of the stock program will go be the CSHA Rulebook and West Coast Rule Book (i.e. sorting, team penning).
- 28) Whoever is the Stock Chair for Region 6 this coming year should type a program rules packet (including all program aspects and rules addressed tonight (September 27, 2011) and each contestant will have to sign it when they enter and a copy must be given to them each year.

Open floor to the body for any other new business from the members.
