English / Western: Elaine Spotswood

Elaine talked to Region 10 today about the joint show. We will split the expenses and net profits down the middle. We will bring half the ribbons, prizes, etc. Region 10 to send Elaine the class list.

We may potentially pull the sanctioning for the June D'Alonzo due to the EHV-1 virus outbreak. Elaine does not feel it's fair to expect people to show if they are concerned about their horses health. We may sanction another D'Alonzo show later in the year. → Grace Cousins made a motion to cancel the

sanctioning for the June 18 & 19 D'Alonzo Show pending approval of an additional D'Alonzo Show later in the year. Second by Linda Kalamaze. All in favor.

Points are online & have been emailed to everyone. Please be sure you submit points for ONLY the divisions/classes you are signed up for.

Stock Competition:

Stock program funds are frozen until region 6 president receives a budget from the Stock Chair.

Darlene Drace requested a refund of her Stock participation due to her mare fracturing her leg & injury to her suspensory ligament. → Denise Escover made a motion to refund Darlene Drace's Stock membership, with a vet's note, due to her mare breaking her leg. Michele Correa second. All in favor.

Stock Program Report for May 2011: Sorry I (Cody) am unable to attend the May meeting I had surgery on my ankle. And Darlene will not be attending as she is in SLC. Here is the Stock report of May.

The Stock budget was turned in by email to all the board members as requested. So our account should be unfrozen. (Dian Forbs confirms the account has been un-frozen.)

Currently we have six people signed up into the Region 6 Stock Program. Five people in the Ranch Sorting categories and one person in the Ranch Versatility.

To clarify were the Ranch Versatility falls: This has been a pilot program for region 6 & 10 Stock Program for the last two years. It falls under the Stock Program as cattle are involved in some classes offered. The non – cow classes were added into the E/W shows to promote what is offered in the Stock program and to have a better turn out at shows. The cow classes have not been offered by Region 6 as we did not have enough interest or funds. Region 10 offers the cow classes and they are open to any region 6 member to earn points. As of now neither Darlene nor I have been contacted by the E/W chair, Region 10 Stock chair or the Region 6 President to find out what is going to be included in the Region 6 shows this year. We cannot promote the events if we don't know that we are even going to be included.

Club Reports:

Sun Coast Pinto

They had their show with 7CPHC in Mid May – light but successful turn out. Success in that they were able to draw people from out of the area, and they made money on the stalls and RV camping. Hoping to build on that success for next year.

Seven Counties Paint horse Club

They had their show with Sun Coast in mid may – was not as successful as Sun Coast with the Open classes. 7CPHC has a show Aug 7th at Woodmyst.

Gold Coast Arabian

The June 12th schooling show is cancelled due to the EHV-1 outbreak. It is rescheduled for July 24th at Woodmyst.

The June trail ride has been cancelled and will be rescheduled.

Our show Aug. 13 has been sanctioned by regions 5 and 10 as well as region 6 for the reining section. Day stalls will be available for \$20. Class list, entry forms, stall reservation and BBQ forms will be available soon. All horses entering the show grounds must have a temperature check prior to the show and the appropriate form handed in to the office.

The Tractor Supply Equine Event had a very good turnout, I think CSHA missed an opportunity to promote their club.

Who does the club use for Buckles? (Kathy's Show Equipment)

Golden State Appaloosa Horse Association

The club is still active, they just needed to cancel the show due to pending surgery of GSAHA President.
